

CLUB RULES, ETIQUETTE AND COMPETITIONS

Cavendish is a very special course, regarded by many as the most authentic AlistairMacKenzie-designed course in the world.

The club invests heavily in its care, regular maintenance and presentation and relies on the consideration of members and visitors to help ensure that it is always in the best possible condition.

Members and visitors are requested to remember the 3 R's:

Replace all divots
Repair pitch marks
Rake bunkers

CLUB RULES & ETIQUETTE

Subscriptions

The subscriptions year commences on 1st March and members' dues must be paid on or before that date. Non-payment of subscriptions will result in the suspension of membership and removal of access to the BRS booking system. A suspended member who plays the course will be required to pay green fees at the prevailing rate.

The Club offers members flexible payment terms including Direct Debit. Members are reminded that membership of the club constitutes an annual contract and members cannot simply stop paying part way through a membership year. If any member experiences financial difficulties, please raise this with Hyeran in the office and the Club will do what it can to assist. Simply cancelling the Direct Debit is not acceptable and the Club retains the right to claim from the member any unpaid portion of the annual membership fee.

Green Fees

Green fees must be paid in the golf shop before play commences. Visitors must obtain and display their visitor's ticket. Members may sign in a maximum of three guests per day at a reduced rate. A non-member may play the course no more than four times in a year at reduced rates. This is a facility offered to enable members to entertain their guests at Cavendish and must not be used as a means of promoting cheap golf.

Staff

Club staff do their very best to make your experience at Cavendish the best it can possibly be. The Board will not tolerate any abusive or aggressive behaviour directed at staff

members. Members must not interfere nor give instructions to any employees regarding the execution of their duty. If a member has an issue with a staff member this should be reported to the Board.

For the avoidance of doubt offensive, lewd, sexist, homophobic or racist language and behaviour will not be tolerated anywhere on the course or in the clubhouse. Any member witnessing such behaviour should either address it with the person concerned or report the matter immediately to a staff member or Officer of the Club. Members guilty of such unacceptable behaviour may be suspended from the Club and subject to the Club Discipline Process. A copy of the Disciplinary Procedure is available via the Club Policies section of the Club Website.

Clubhouse

Members should change in the locker room and not in the car park. The bar and clubhouse opening hours are prominently displayed. For certain social functions, or if the course is closed, opening times may vary.

The Club believes in promoting a positive, fun atmosphere in the clubhouse that encourages camaraderie but does not cause offence to anyone. All clubhouse users should be mindful of their language and behaviour and be respectful to all other staff, members and visitors.

Dress Code

The club has a relaxed policy on dress, but members are requested to maintain a reasonable standard of clean, smart dress in the clubhouse. Suitable golfing attire should be worn at all times when playing

Juniors

Juniors are welcome to enjoy the clubhouse facilities and should maintain a reasonable standard of clean, smart dress. Juniors may not purchase alcohol.

Mobile Phones

The use of mobile devices is allowed, and the club offers an excellent and free wi-fi service. Consideration of other members and visitors should be shown when using a phone.

Member Communication

The club uses a variety of communication tools to reach members including notice boards, email, website and social media. Please ensure that your contact details are kept up to date to ensure you receive Club notices.

Slow Play

Players should play without delay. Players searching for a ball should signal players behind to pass through when it is apparent that the ball will not easily be found. Players should not wait 3 minutes before doing so. Players who have failed to keep their place on the course, losing more than one hole in front of them, should call the match following to pass through.

Remember the correct pace of play is just behind the group in front NOT just in front of the group behind.

Slow play has been identified as one of the main reasons for people leaving golf. It is incumbent on all members to maintain a good pace of play.

For more information visit: <https://www.randa.org/en/rules/pace-of-play>

Priority

18- hole games should be given precedence over games playing a shorter round. Club matches and club competitions take precedence. Singles have no standing on the course.

Care for the course

Signs are put out for a reason. Please do not ignore them. If an area is roped off, it is to protect the course.

Trolleys should never be taken onto greens or tees and should not be taken between the green and greenside bunkers.

Buggy users should stick to paths wherever possible and buggies should never be taken onto tees, greens approaches or within 10 yards of a putting surface. When playing 16-18 buggies should remain on the road.

Please repair divots and pitch marks and always rake the bunkers.

Complaints

All complaints should be made in writing to the Board. These may be delivered in person to the office, or they can be sent via email to:

admin@cavendishgolfclub.com
proshop@cavendishgolfclub.com
chairman@cavendishgolfclub.com

It is totally unacceptable to challenge staff, officers of the club and volunteers when they are playing, preparing to play or socialising in the clubhouse.

MEN'S COMPETITION RULES

General

Only members with a WHS handicap index (HI) are allowed to win major and medal competitions and participate in knockout competitions. Players without a handicap must submit 3 cards (6 x 9 holes or 3 x 18 holes or combination), marked by a club member with a WHS handicap to obtain their HI

To be eligible for Club Competitions players must have submitted a minimum of 4 cards in the preceding 12 months.

Medal competitions are played in threes. Should two members only wish to play, this will be permitted, but they will have no priority on the course and must take their turn.

In all club competitions the WHS recommended handicap allowances will be used.

In the Event of a Tie

In all medals and open competitions, in the event of a tie, the winner shall be declared having:

1. The best score over the last nine holes.
2. The best score over the last six holes.
3. The best score over the last three holes
4. Best last hole
5. Front 9 in reverse order

In all Board and major competitions, in the event of a tie, play off rules over 18 holes apply. In the event of a tie then sudden death applies over holes 1, 2, 3, 4, 18 continuously until a winner is found.

All major, medal and board competitions must be played off the white tees.

Competition Booking & Sign-in Procedure

Booking for club competitions, majors and medals, is carried out using the club's online BRS booking system, accessed via the club website or the BRS App. Competitions are available for members to book from 18:00 on BRS, 15 days prior to the competition taking place. All competitions will close for booking purposes at 22:00 the night before the competition.

If you book a club competition time slot on BRS then you must play in that competition and pay the appropriate fee as set by the committee.

On the day of the competition, you must sign-in to the competition in the Proshop, pay

the Competition Fee and collect your card before teeing off. You are advised to sign in on the Club System Terminal or via the HowDidIDo App but this is not essential. If you fail to sign in with a member of staff in the Proshop and pay your Entrance Fee prior to teeing off, you will be disqualified.

It is not permitted to change your tee time on the day of a competition because of adverse weather.

Failure to Attend

Any member who fails to attend a competition for which he/she has been entered or has not entered his/her score into the computer, without giving notice, or a satisfactory explanation to the organiser of the competition, may be suspended from taking part in the next two medals and the next major competition.

The men's section has a busy annual calendar and the following information is offered to help new members in particular:

Masters Challice

Played over 18 holes with maximum strokes received 36, this is played as a Medal round by winners of 11 Major Trophies from the previous season.

Major Darbyshire Salvors

This is a Foursomes Medal completion played over 18 holes on a date specified in the fixture list. It is played as a medal competition, maximum strokes received limit of 36, half of combine handicap of the partners being deducted from the gross score.

Lady Captain's Trophy

The format of this competition, played over 18 holes, is decided by the Lady Captain, either Medal or Stableford. The course can be played as laid out, or The Mackenzie way. Handicap Index 0-54 strokes received after course handicap applied.

Maximum strokes received limit of 36 for Trophy

King Charles III Foursomes Cup

This is an 18 hole Foursomes Stableford competition; 50% combined handicap with maximum strokes received 36.

Hartington Trophy (Silver) and Henriques Challenge Cup (Bronze)

The qualifying round is played over 18 holes in a medal competition on a date specified in the fixture list, the qualifiers being the four best net scores in either silver or bronze divisions. The competition then becomes match play knockout over two rounds.

Silver 0 – 20 (maximum shots received 21 after course handicap)

Bronze 21 – 54 (maximum shots received 36 after course handicap)

Hill Flag

18 hole medal competition where the winner is decided by how far she can play along the course using her handicap and the course par before she pushes in the "flag". Any player passing the flag takes it with them until they use up all their shots maximum strokes received 36
